

UEP20112 Certificate II in ESI Generation - Operations Support

Entura's operational support course provides participants with the background to undertake minor maintenance of electrical and mechanical equipment.

The practical field-based activities will include both training and assessment activities. Trainees will need to be mentored by appropriate senior staff. Where required, their mentor will need to sign off on an activity that has been completed using a workplace competency assessment workbook. The assessment events will occur on a regular basis to track activity and to provide support. This component of the training should not take longer than eighteen months and is determined by the availability of mentors, and training and assessment events.

An evidence-based assessment method can also be used to determine completion.

Completion requirements

The requirements for granting this qualification will be met when competency is demonstrated and achieved for:

- all the core competency standard units
- a combination of elective competency standard units to achieve a total weighting of 220 points in accordance with the *Elective competency standard units* table, including any associated prerequisite units. The prerequisite units can be included in the weighting points
- all the required prerequisite competency standard units have been met as required.

On completion, the *Entura clean energy and water institute* will issue a nationally recognised qualification. To achieve this qualification or portion thereof, both the essential knowledge and skills and the practical field based activities will be assessed.

Core competency standard units

UEENEEE101A	Apply occupational health and safety regulations, codes and practices in the workplace
UEPOPS202B	Apply quality systems to work
UEPOPS204B	Maintain and utilise records
UEPOPS209B	Perform process plant inspection
UEPOPS252A	Undertake local systems operations
UEPOPS356B	Apply environmental and sustainable energy procedures

Elective competency standard units

UEENEEE102A	Fabricate, dismantle, assemble of utilities industry components	40
UEPOPS205B	Conduct minor mechanical maintenance	40
UEPOPS206B	Conduct minor electrical maintenance	20
UEPOPS207B	Perform plant lubrication	20
UEPOPS211B	Clean plant and equipment	20
UEPOPS237B	Perform tool store duties	20
UEPOPS249B	Liaise with stakeholders	20
TLILIC2001A*	Licence to operate a forklift truck	40
CPCCLDG3001A*	Licence to perform dogging	30
CPCCLSF2001A*	Licence to erect, alter and dismantle scaffolding basic level	40

*Not provided. Credit transfer is possible with proof of attainment.
